ADDITIONS

Supervisor Croce stated that he had two additions to the evening's agenda; one was a memo from the Highway Superintendent that he would discuss under "new business" and the other was a request from the Boy Scouts.

1. Boy Scout Request:

Supervisor Croce explained that he had received a request from Boy Scout Troop 195 to campout for the weekend of April 22-24, 2016 to do an assessment and clean-up of the Park and their camping area. He read the memo and stated that this is something the Boy Scouts have done for the past several years and he did not have a problem with authorizing them to use the Park.
